Excel Mold Cleaner & Degreaser

Why was EXCEL MOLD CLEANER PLUS DEGREASER developed?

DAC's Excel Mold Cleaner Plus Degreaser meets customer requests for a non-flammable, non-conductive, fast acting ion degreaser. This low odor mold degreaser can be used in the production process and as a total bench maintenance product that will provide you with a safe, non-toxic, non-conductive cleaner.

DESCRIPTION:

Excel Mold Cleaner Plus Degreaser provides overnight flushing and long-term rust inhibition. It also removes mold release build-up, and removes plastic residue. Excel Mold Cleaner Plus Degreaser's unique controlled evaporation will dry residue free and will not induce bleeding.

PERFORMANCE CHARACTERISTICS:

- Most aggressive degreaser we have
- Best choice for environments with no chloride restrictions
- Controlled evaporation (even on hot molds)
- All position spray with pinpoint action
- Ion Disbursement
- No residue
- Low odor
- Non-flammable
- Cleans without wiping
- Safe from toxic fumes
- Non-Conductive

REMOVAL SPECIFICATIONS:

No removal is necessary.

Available in
55 gal. drums
