

DAC-30612

Heavy Duty Paintable Mold Release

Why was HEAVY DUTY PAINTABLE MOLD RELEASE developed?

To give you optimum performance of a full paintable mold release.

DESCRIPTION:

Heavy Duty Paintable Mold Release was formulated to give a higher level of film strength. It will eliminate the vacuum hydraulic effect and any releasing problems. Works efficiently on both hot and cold molds. It is CFC free and free of chlorinated solvents. DAC Heavy Duty Paintable Mold Release imparts a smooth dry film, which is biodegradable and non-toxic. It can be used where parts will be painted, hot stamped, metalized or otherwise decorated.

PERFORMANCE CHARACTERISTICS:

- Eliminates the hydraulic effect and any releasing problems
- Contains fluorocarbons for a higher level of film strength
- Good for temperatures ranging from 60F to 600F
- Extra long lasting
- Works well in deep ribbed areas
- Peak performance in difficult areas
- Fully paintable

REMOVAL SPECIFICATIONS:

If build-up occurs, flush with DAC-103 Universal All Purpose Degreaser.

NPCA Hazardous Materials ID System
