

DAC-108

# Does It All Degreaser

## Why was DOES IT ALL DEGREASER developed?

Does It All is perfectly designed to degrease anything you can think of. You name it, it does it! The number one choice of plastic molders. This unique formula will cut through anything. Does It All's rapid cleaning capabilities are pure enough to be used as a bench maintenance product and strong enough to remove most adhesives. Find out why DOES IT ALL is Rated #1 in today's market.

## PERFORMANCE CHARACTERISTICS:

- Low VOCs make this a good choice for environments where ventilation is a concern
- Excellent cleaning capabilities to remove overnight rust inhibitors
- Rapid evaporation eliminates bleeding out of ejectors, lifters or cams.
- Good degreaser to accommodate cleaning of brakes & engine blocks prior to assembly

Available in  
55 gal. drums  
See DAC-108Bulk

## NPCA Hazardous Materials ID System

Health	2
Flammability	4
Reactivity	0
Other	See SDS
